Education

B.Tech, Rajkiya Engineering College, Sonbhadra 08/2016 – 09/2020
AKTU University | Electrical Engineering Sonebhadra, India

Intermediate, Radhika Sr. Sec. School, Jaunpur 04/2015 – 05/2016
CBSE Board Jaunpur, India

Projects

Aadhyayan

07/2025-Present

- Designed and developed an educational web platform offering structured information about courses, programs, admission processes, and institution initiatives — optimized for clarity and learner engagement.
- Implemented responsive front-end layouts, ensuring smooth user experience across mobile, tablet, and desktop devices for students, parents, and academic visitors.
- Integrated enquiry and information request workflows, enabling prospective students to connect easily with the institution and improving lead conversion and accessibility.

Irowa Apex

12/2024 - 06/2025

- Created a membership-oriented website for a welfare association (IROWA Apex), including features like member directory, news & events board, newsletter archive, feedback form, and resource/document access for retired officers.
- Structured site content around hierarchical menus (Aim & Objective, Chapters & Units, News & Events, Member Login/New Membership etc.), ensuring easy navigation for varied user types (members, retirees, administrators).
- Ensured maintainability and future updates by developing a clean, organized layout, enabling seamless updates of notices, newsletters and circulars for association members.

Techwin Business Solution

07/2024 - 11/2024

- Managed end-to-end site setup including front-end design, content integration, and hosting showing ability to independently deliver a complete web solution.
- Demonstrated versatility by adapting to different types of clients/verticals (e.g. travel agency, association, generic web presence), reflecting adaptability and a broad web-development skill set.
- Developed on Wordpress using Elemental, Custom and plugin for Header, Footer, Form and Carousel.

Chetan Tour & Travels

02/2024 - 06/2024

- Developed and deployed a full-featured travel and cab booking website (ChetanTravels.com), with dynamic booking forms for local taxi, outstation taxi, buses/tempo-travellers, and package tours.
- Implemented intuitive navigation and services listing including tours, cab hire, corporate transport, and cab-charge calculators to provide a comprehensive, user-friendly portal for customers.
- Built a responsive design and secure contact/enquiry form enabling real-time booking requests, enhancing the company's online customer acquisition and booking management.
